

WANTED: Smiling faces!

Volunteers play an important role in every public agency, and a park district is no exception. In fact, because the Batavia Park District works to accommodate the entire community – from infants to seniors – volunteers are especially needed and valued.

The Batavia Park District has numerous opportunities for those interested in volunteering their time and talent. From coaches to special event helpers, our residents enjoy the added benefits of a committed and dedicated volunteer staff.

Coaches

A coach can have a monumental impact on a child who plays organized sports. At the park district, there are a variety of different sports in need of volunteer coaches. The sports include: girls softball, co-rec softball, men's softball, basketball and football.

Park Volunteers

Volunteers interested in helping beautify one of the district's 36 park sites can help by planting and maintaining flowerbeds, laying sod, or cleaning up debris.

Count me in!

I'd like to become a valued volunteer!

Please complete this form and return it to:

Batavia Park District
